

The David Toro Foundation is a 501c3 Non-Profit Corporation and was created to raise funds to provide free or low cost spay and neutering in the City of Colton, with the intent of growing beyond the City limits. We plan to extend services to include free or low cost micro chipping, vaccinations, educational materials to promote responsible pet ownership, and funds to rescue animals out of the shelters.

Our Mission Statement and goal for year 2016 is to provide:

- 25 spay or neuter surgeries per month
- 25 microchips and registrations per month
- 25 vaccinations per month
- 5 rescues out of the shelter to adoption partners per month

Partnering with the Riverside County Department of Animal Services and the Loma Linda Animal Hospital to provide a discount cost for services, the David Toro Foundation will need to raise the following to achieve the goals that will promote responsible pet ownership, and give a pet a chance for a longer, healthier, and happy life.
